

## Service of Communion

We will be celebrating Communion together in the 10:00 a.m. livestream service this Sunday, so prepare to have the elements available in advance if you would like to participate. You can use any kind of bread, crackers, or gluten-free alternative and a cup of grape juice, wine, or similar juice.

An Invitation to the Lord's Supper is extended to all who come in faith, repentance, and love. Even one who doubts or whose trust is wavering may come to the Table in order to be assured of God's love and grace in Christ Jesus.
